

## **MBC INSURANCE TOOL / EQUIPMENT & PLANT HIRERS INSURANCE SCHEME**

Ask yourself the following questions...

- Are you paying too much for your insurance?
- Have you ever been offered an insurance product designed exclusively for your industry?
- Are you uninsured and worried about your personal assets in the event of a claim?
- Are you looking for comprehensive cover at a competitive premium?

We at MBC Insurance, recognise that insurance costs for Tool / Equipment & Plant Hirers have been increasing for some time now and in response to this have arranged access to a unique scheme for members of this industry.

Backed by a scheme that is in place for the last 7 years in this unique market area MBC Insurance currently holds the insurance for over 100 of Ireland's Tool / Equipment & Plant Hirers.

Whether you are a small tool hire operation or a large access or construction machinery hirer MBC Insurance has you covered.

Please review our website at [www.mbcinsurance.com](http://www.mbcinsurance.com) for further details of our product along with a number of client testimonies.

Should you wish to avail of a free no obligation quotation please do not hesitate to contact the undersigned or return the attached proposal form.
