

Choosing insurance for your forklift business is an **important** decision. Whether your business activities include forklift training, buying and selling, forklift repairs, valeting, wholesaling, import and export, hire of forklifts, leasing of forklifts etc., trust that you have come to the right place.

You have invested time, money and effort in running and developing your forklift business. You should be confident that the insurance you purchase protects you, when and where you need it most.

MBC Forklift Protector is a unique facility which includes key covers that are important to any business, as well as additional specific covers for the forklift business.

It offers an affordable way for you to obtain employer's liability, service indemnity, public liability, business interruption, goods-in-transit, property protection, motor trade road risks and computer equipment cover-all in one package.

You simply pick and choose the cover(s) you need with our advice and assistance.
