

# CRAFT BREWERS INSURANCE

With a significant rise in new start up craft brewers all over Ireland and with such potential for further growth within this sector, MBC Insurance carried out an analysis of this niche industry, with a view to delivering a market leading bespoke product to suit their specific needs.

Following this review, MBC Insurance has partnered with an A rated insurer in Ireland to deliver this market leading product, to you, the Craft Brewer. The main areas of cover benefits are outlined below:

## PROPERTY

- Deterioration of Stock (Temperature).
- Deterioration of Stock (Dampness or dryness).
- Condemnation of undamaged stock by a regulatory Authority.
- Recalibration of quality control equipment.
- Undamaged Property insured.

## PUBLIC LIABILITY

- Product Recall (costs)
- Overseas Exposure Cover

## RISK CONTROL

Insurers provide a free on site risk control survey, advising on all Health & Safety issues that may need to be considered.
